AROUND

THE GROUNDS

Across both the football and netball senior competitions, the Warrnambool and District league season 2023 is shaping up to be one of the most thrilling and toughest of recent memory.

Each week continues to throw up different surprises with upsets and stunning results shifting positions on ladders as teams look towards the top-five.

This weekend looms as yet another vital round in determining how the ladders could shape.

In football, the clash between Allansford and Russells Creek could be one of the most defining matches of the season with a win or loss either way potentially make or break.

Elsewhere, Nirranda hosts Kolora-Noorat in a blockbuster clash between two of the premiership hopefuls, while Timboon Demons would be quietly confident it can upset South Rovers on the road. Panmure plays host to Old Collegians while undefeated Merrivale takes on Dennington.

On the netball courts, the Power face their biggest test under new mentor Laura Bourke against the mighty Blues. Could a shock result be in the works or will the reigning premiers just do what they do best and keep winning?

Timboon Demons will be hopeful of breaking into the five with a win against South Rovers while Old Collegians need to conjure up something special against Panmure but have plenty of talent at its disposal.

And Merrivale and Dennington looms as a physical contest between two teams in strong form.

There's so many questions about who sits where in the pecking order.

Will this weekend answer some of those questions?

We shall see!

MESSAGE FROM THE **PRESIDENT**

We have completed the first third of the season 2023.

The ladders are starting to take shape as we continue to play through the rounds, the competitions remain relatively wide open while players continue to show their skills and determination.

Again, I would like to remind all Spectators, Parents, Participants, Coaches, and others about Spectator Etiquette. Over the last couple of weeks we have witnessed some poor behaviour which does not reflect well on the Clubs or the League. All Clubs within WDFNL are required to abide by the AFL Victoria Country rules 2023, the handbook contains a series of Codes of Conduct. Poor or inappropriate behaviour will not be tolerated and may lead to other consequences.

Last week was umpire's week, this is also a reminder the umpires for both Football and Netball should not be abused for decisions made in a game. Many of the umpires volunteer their time and effort into making our games happen and all players, club officials, and spectators need to respect the role the umpire plays in making the match happen.

Over the next couple of weeks, we will be acknowledging the Club Volunteers. Volunteers are the lifeblood of all small community organisations and without them

Football and Netball across our region would not happen. We owe a great deal to these volunteers. THANK YOU.

The future Rising Stars in both football and netball are also being acknowledged over the few weeks. Its great reading about them and what their goals are.

Congratulations on the Junior netball Players that are going to represent the WDFNL at the Western Association Netball Championships being held here in Warrnambool. There was an overwhelming number of junior netballers that tried out and I congratulate you all.

Our interleague Coaches, 13's Tamara Bull, 15's Sara Quin, 15's Res Kim Jamieson and 17's Rachel Mungean congratulations on your position and good luck during the netball champs.

Good luck today.

Kylie Murphy
WDFNL President

BRAD GILMOUR

Kolora-Noorat Football Netball Club

Brad has been involved with the Kolora Noorat Football Netball Club since it's inception in 2003. Starting as the trainer for the Senior & Reserves football. In 2004 he also assisted as trainer with the A Grade Premiership side.

After his involvement, predominantly in the football, Brad moved across to train the senior Netball teams from 2009 until present.

What started as simply strapping the girls injuries for the game has evolved into Brad being a cornerstone of the senior netball. Not only does Brad get our girls game ready each Saturday, he then hits the sidelines to be Primary Carer for each senior netball grade.

Brad is also a presence at each Thursday night training & there if the girls need anything from a chat, an opinion or some sort of injury assistance.

Over the years Brad has picked up the ins & outs of netball & provides valuable sideline insight between keeping an eye on any injuries that may pop up.

Brad is an integral part of our senior squad & well respected as one of the Power Netball group.

DARREN WILDE

South Rovers Football Netball Club

Darren "Wilbur" Wilde is a gun volunteer for the South Rovers Football Netball Club.

Along with his wife Judy, they have always supported the sports the Wilde boys have played, with 100% commitment and enthusiasm.

For many years Wilbur has stepped up and completed jobs that others avoid.

Amazingly, he has come back, BIGGER AND BETTER than ever, after overcoming a life threatening battle with cancer.

At South Rovers, some of the major things Wilbur does include organising and cooking the teas on a Thursday night, goal umpiring on a Saturday and then racing in after the game and running the raffle, where he also organises the meat pack.

Wilbur's raffle selling skills are legendary and for those who do not have cash, he will get the eftpos machine out to make sure extra tickets are sold.

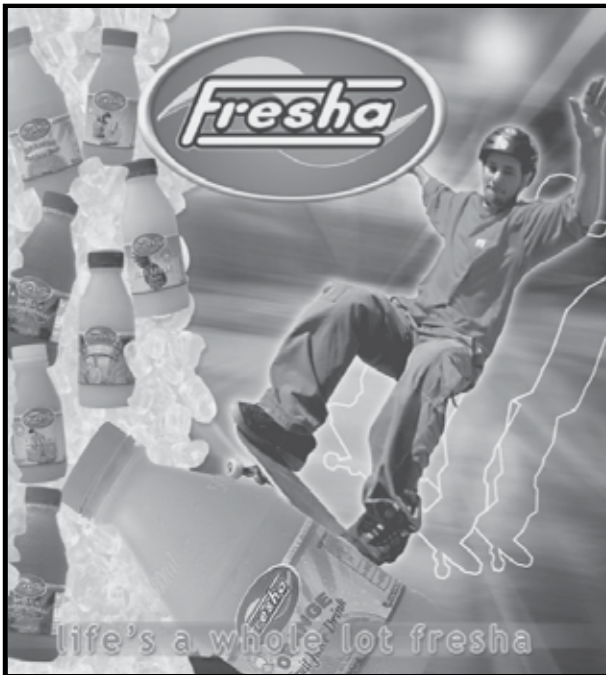

What is important, but not often noticed, is that Wilbur is also a welcoming and friendly presence about the club who makes people laugh and feel comfortable. He also brings mates along to help out with jobs that need doing.

Wilbur also acts as an unofficial recruiting officer and is a storyteller of note.

All in all, all clubs need people like Wilbur to keep them going.

TRAINER'S MESSAGE

INJURY ASSESSMENT: PART ONE

IF YOU THINK A PLAYER IS INJURED, THE TRAINER NEEDS TO ASCERTAIN THE FOLLOWING:

Do we have a problem?

Yes

No, play on, check the player occasionally

Can we manage it?

Yes, and then manage it

No, refer to appropriate medical professional

Looks easy, how do we make this judgment?

We need information, with enough information the answers tend to appear, some more obvious than others.

Viewing

The trainer will ideally see the incident. "Viewing" can provide vital information to the trainer. Viewing is the art of looking in front of, and behind play, checking for incidents and or injured players, scanning the entire ground at a break of play. If you see an incident, don't assume you know what the problem is: confirm your suspicions by obtaining additional information from the player or other people who may have seen the incident.

The following is designed to assist in obtaining additional information:

UMPIRE'S MESSAGE

UMPIRE ABUSE.... WHY IS THIS OK?

As a umpire over 28 years and almost 600 games I've seen the good and bad side of football at local level.

The one this I still can't get my head around is the weekly amount of umpire abuse.

I still find it odd that we tolerate this at any level of sport.

The WDFUA haven't gone down the line like we see on the AFL where just a raise of the arms at an umpire. And is a 50m penalty. We understand it's a physical game and sometimes emotions can play a part of some behavior. But for someone to get out of their car or standing on the hill to give an umpire a spray just isn't on. And I don't understand what gives them the right to do this?

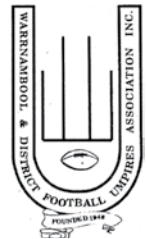

All that I ask is that you try to keep your emotions in check and if you hear someone giving an umpire dome stick pull them into line. At the end of the day it is YOUR club that responsible for providing a safe and welcoming environment for all.

THIS HAS TO STOP OTHERWISE THERE WILL BE NO UMPIRES LEFT.

If this type of behavior keeps on happening the WDFUA will pull umpires from games, it's a simple as that. Everyone has the right to enjoy the sport they love!

**Gavin Sell
President WDFUA**

DRINK RESPONSIBLY?

Low risk *drinking* is:

No more than **10** standard drinks per week.

No more than **4** standard drinks on any day.

An alcoholic drink is about 1000 kilojoules, similar to a regular cheeseburger.

The amount of pure alcohol in all of these drinks is the same.
