AROUND
THE GROUNDS

We've officially hit the halfway point of the home-and-away season and there's still a host of questions to be answered in the next nine rounds.

In the senior football, ladder-leader Merrivale has proven itself the team to beat however the battle for the remaining four finals spots could go down to the wire. Only two wins separate second-placed Nirranda and sixth-placed Allansford.

This weekend sees a pair blockbuster fixtures between four clubs with top-four aspirations.

Last year's grand finalists Panmure (third) and Nirranda will undoubtedly put on a show while Kolora-Noorat (fourth), which has struggled to get its strongest team on the park this season, should test the electric Tigers.

Dennington's clash with Timboon Demons should be a hard-fought contest which the Dogs will view as a good chance to record consecutive wins.

In the A grade netball, the third-placed Bulldogs have an opportunity to see how much they've improved since round one when they take on undefeated Nirranda, the competition's benchmark.

The Tigers, who sit second with just one loss, will provide a mighty challenge for Kolora-Noorat (fourth) however the Power have shown this season they shouldn't be discounted.

Allansford and Old Collegians are both fresh from heavy defeats, with their clash a chance to go either way.

In the remaining fixture, Russells Creek will meet South Rovers at Mack Oval which looms as compelling viewing in both sports.

KATHY PROBERT

Dennington Football Netball Club

A big thanks to Kathy from her family at The Kennel.

Living virtually over the back fence of the oval, Kathy followed her young son Jai to the footy and forgot to go home.

She has been a regular in the kitchen for meals, served more than one or two drinks, washed a few jumpers, serves on our Committee and is in her tenth year as a trainer. She is even slowly starting to learn a little about netball.

In keeping with her day job, Kathy acts as our Child Safety Officer.

We are very fortunate to have Kathy as one of our valued team members.

TRAINER'S MESSAGE

SOUTH WEST SPORTS TRAINERS ASSOC.

THE NO HARM APPROACH

Following the No HARM will ensure a player can look after the injury correctly and return to play in a timely matter. This is a guide for strains and sprains.

ICE treatment or RICE should still be applied in the first 48-72hours.

What is the NO HARM Approach?

No HARM is about avoiding things that may contribute or can make an injury worse.

No **H**eat- Heat can increase the bleeding

No **A**lcohol- Alcohol can also increase bleeding and swelling

No **R**unning or exercise- This can also increase the bleeding to the injured area and delay healing

No **M**assage- Massage increases swelling and bleeding, this also to delays the healing process.

What's the key to the No HARM approach?

It's essential the No HARM rule is followed for the first 72 hours of an injury.

Always consult a doctor or go to emergency if you are concerned about your injury.
