AROUND

THE GROUNDS

The weather may be cold but the season is only really heating up as the Warrnambool and District league football and netball competitions continue to stay even.

It looms as another massive weekend across the competition on Saturday as teams jostle for wins before the league wide-bye which will take place next week.

From a football perspective, Panmure and Merrivale looms as the round's most intriguing blockbuster with both teams relatively injury free and looking to breathe fire.

Can the Bulldogs inflict the red-hot Tigers with their first loss of the season? It's going to be an absorbing battle between two of the competition's most attacking teams.

The battle between Nirranda and Allansford will also be interesting viewing while Old Collegians and South Rovers will both fancy its chances of winning games this weekend. Kolora-Noorat plays hosts to Dennington while Russells Creek faces a tricky road trip to take on Timboon Demons and simply must keep winning.

On the netball courts, the scramble for fifth will make for another huge weekend.

As it stands, Dennington sits in fifth but a clash against Kolora-Noorat away from home is a huge test for the Dogs to overcome. Could a major upset be on the cards that could completely shake up the season?

Timboon Demons will need to win to stay in touch against Russells Creek, whose season is still alive themselves if they can win away from home.

Second and third-placed sides Panmure and Merrivale will both be looking for a finals-like contest as they start to assemble its squad ahead of finals, with the Bulldogs looking to hold onto third with a win on their home court.

Nirranda is expected to continue on its merry way when it plays Allansford, while youthful teams Old Collegians and South Rovers will go in with confidence when they square off at Davidson Oval.

KATRINA HOYE

Russells Creek Football Netball Club

Katrina Hoye is this year the clubs Junior Football Coordinator and Team Manager for the Under 18's and Seniors.

Katrina also spends time during the week inputting teams and organising teams packs.

She has been a volunteer at the club for the past 6 years but this year being the most significant as she no longer has her 2 boys playing at the club.

She manages to share her time between supporting the Russells Creek Football Club and all playing teams and leaving to go and watch her sons play then returning each Saturday to ensure all club jobs are completed.

Thankyou Katrina for your support we really do appreciate it.

JOE CLOVER

Timboon Demons Football Netball Club

When asked to think of a volunteer that embodies what it means to be part of the Timboon Demons and by extension the Warrnambool and District Football Netball League its hard to find a better resume than that of Joe Clover.

You might recognise Joe as the current volunteer that mans the gate on Saturdays for home games but you may not know that during is tenure at the Demons Joe has held almost every position possible.

Joe has been a trainer, is a current club sponsor, served several years as president and 40+ years on the recreation reserve committee, #1 ticket holder while also having played 200 games as a player.

Even now on a Thursday night Joe attends club dinners and asks if everything is organised for that weekends match and if he can help with anything that needs doing.

UMPIRE'S MESSAGE

RED SHIRT UMPIRE

This year the WDFUA have introduced the red shirt program this signals to players and supporters that this umpire is brand new into the senior grand and you should give them a little more respect as they are still in the learning stage of their umpiring. Last week we saw Simon (Darty) be our 3rd field umpire for season 2023 take on the red shirt for his 1st senior game.

A huge Congratulations to you Simon (Darty) Dart...you came to us this year and from the get-go were keen and wanting to learn. You are like a sponge and an absolute pleasure to coach as you listen and take it all in. You are always wanting to improve and your goal at the start of the year was to break into the senior ranks... you have now achieved that goal well done Darty.

TRAINER'S MESSAGE

INJURY MANAGEMENT

Correct management of any injury can have a better healing time and see the player return to play quicker. The RICE concept is simple and effective in the initial injury management phase.

What's the Best Way to use ICE?

Rest- Important to rest the injured area as much as possible and support the area if appropriate.

Ice- Apply Ice to the injured area

Compression- Apply a firm bandage to help hold the ICE into position

Elevation- Important to raise the injured area if possible (e.g. foot, knee, hand) this helps the body reduce swelling.

What's the recommend ICE time?

A good rule is 10 mins on and every 2 hours for the first 3 days. However every injury is different. Some may require less time, some more.

If the area is causing pain when ice is applied or part way through icing. Remove the ice and consult a professional. Don't apply ice directly to the skin. You can place a towel/ face washer over the cold pack before putting it on the skin.

What does ICE do?

- Can Relieve pain
- Can reduce swelling
- Can promote healing
