AROUND

THE GROUNDS

Only three rounds remain before the Warrnambool and District league finals and from here on anything can happen as teams prepare to launch at premierships in the coming weeks.

Last round, it was all about Russells Creek who took a giant leap in its quest to play finals football after knocking off Panmure in one of the games of the season.

With two games and percentage now separating Creek from Allansford, can Dylan Herbertson and Danny Chatfield's group start preparations for finals?

Or is there another twist on the way?

It looms as another huge round of football and netball and none more so than Creek taking on Nirranda on the road, a side looking to build towards its premiership defence and playing some outstanding footy.

Elsewhere, Allansford must keep winning to keep up the pressure on fifth and face a youthful Dennington, while Old Collegians have a chance to break through for its maiden win of the season against Timboon Demons.

The clash between Panmure and Kolora-Noorat also poses, from a football and netball perspective to not only go down to

the wire but have serious implications for the ladder positions in both competitions.

In football, the Bulldogs and Power have proven their best is as good as it gets, while on the netball court both are sitting quietly inside the top five and building nicely towards finals.

Expect a strong crowd to venture out to Panmure to witness what'll be a huge day of blockbuster matches.

Merrivale will also be looking to just keep winning and maintaining the rage when it plays host to South Rovers and should get the job done comfortably, but the Lions are a proud club and will look to put in competitive showings in the football and netball.

But arguably the most important match of the round on the netball courts will take place at Timboon, with the Demons needing to win to keep a hold over fifth spot. The Warriors are a tough opponent and won't make it easy and a loss could be Dennington's gain if it can, as expected, get the points against Allansford.

TRAINER'S MESSAGE

TIMELY REMINDER FOR PLAYERS

Asthma is a disease of the airways. The tubes that carry air to your lungs narrow during asthma attack.

Symptoms that can occur during or after exercise

- Wheezing
- Coughing
- Breathlessness
- Tightness in the chest

Prepare for exercise

- Make sure your day to day asthma is well controlled
- Use your asthma reliever medication 5-10 minutes prior to warm up (speak to your doctor for advice)
- Always warm up with light exercise and stretching for 10-15 minutes before you play sport
- Always cool down

Management of exercise induced asthma during activity

- Stop what you're doing and follow your asthma action plan. If you don't have an action plan take your reliever medication as directed by your doctor (best to take medication by spacer)
- Rest for 5 minutes. Only return to the activity or exercise if symptom free. If the symptoms don't go away use your reliever medication again. If this doesn't work get further medical assistance (hospital if required)

Call an Ambulance in an emergency if

- Finds it difficult to breath

- Unable to speak comfortably or lips are turning blue
- Has symptoms that get worse very quickly
- Is getting little or no relief from their reliever medication

ALWAYS CONSULT A TRAINED PROFESSIONAL. This information is a resource and provides an overview. It's not a substitute for medical advice and you should always see a trained professional practicing in sports medicine, your doctor or seek assistance of the hospital if the injury/ health concern requires urgent attention
